

Vitol, GAIL sign long-term LNG supply deal in India

Singapore: GAIL (India) Limited and Vitol Asia Pte Ltd, has announced the signing of a long-term LNG deal in India for a supply of about one million metric tons of LNG per annum for a period of about 10 years, commencing 2026. Under this deal, Vitol will deliver LNG from its global LNG portfolio to GAIL in India on a pan-India basis. Given this deal for LNG tie up, GAIL Chairman and Managing Director Mr Sandeep Kumar Gupta said "This long-term LNG deal with Vitol by GAIL will augment its large liquefied natural gas (LNG) portfolio and will contribute to bridging India's demand and supply gap of natural gas". Vitol CEO Mr Russell Hardy said "We are pleased to build on the existing relationship between Vitol and GAIL and to conclude this long-term LNG supply deal together. India is a significant and growing LNG market and we are excited to bring LNG supply from our global LNG portfolio to meet this rising natural gas demand in India". GAIL (Director (Marketing), Mr. Sanjay Kumar speaking on the occasion of signing in Singapore, stated GAIL is doing this deal as demand for natural gas in India is getting consolidated and this LNG tie-up is part of the multiple negotiations which GAIL has been carrying on with various LNG suppliers for long term deals.

Vitol, GAIL sign long-term LNG supply deal into India

GAIL (India) Limited and Vitol Asia Pte Ltd, on 5 January announced the signing of a long-term LNG deal into India for a supply of approximately one million metric tons of LNG per annum for a period of about 10 years, commencing 2026. Under this deal, Vitol will deliver LNG from its global LNG portfolio to GAIL in India on a pan-India basis.

Given this deal for LNG tieup, GAIL Chairman and Managing Director, Sandeep Kumar Gupta said "This long term LNG deal with Vitol by GAIL

will augment its large Liquefied Natural Gas (LNG) portfolio and will contribute to bridging India's demand and supply gap of natural gas".

Vitol CEO, Russell Hardy said "We are pleased to build on the existing relationship between Vitol and GAIL and to conclude this Long Term LNG supply deal together. India is a significant and growing LNG market and we are excited to bring LNG supply from our global LNG portfolio to meet this rising natural gas demand in India".

GAIL and TruAlt Bioenergy announce \$72 million investment

GAIL (India) Limited, the country's leading natural gas company, and TruAlt Bioenergy Limited, the largest producer of ethanol in India, have signed a Term Sheet for GAIL's equity participation in TruAlt's joint venture company Leafinti Bioenergy Limited which owns and operates India's second Compressed Bio Gas (CBG) plant. The JV company will process over 600 million kgs of organic waste like agricultural residue, sugarcane pressmud, spent wash (waste

generated during ethanol production) and other decomposable waste per annum, to produce over 33 million kgs of CBG, nearly 20

million kgs of Solid Fermented Organic Manure (SFOM) and over 30 million kgs of Liquid Fermented Organic Manure (LFOM)

per annum. Each unit will have a capacity of 10,000 kgs per day (TPD) resulting in a daily production of 100,000 kgs of CBG.
